Professional Summary

Dynamic professional with a robust background in engineering and management, possessing diverse experience across IT SaaS, technology training, and engineering sectors. Founder and CEO of Sharpened Mind Tech & Solutions, with a proven record of successful project execution, team leadership, and entrepreneurial achievements. Skilled in commissioning, inspection, and operational management in various plant environments and dedicated to social impact through active engagement in community welfare.

Professional Experience

Sharpened Mind Tech & Solutions

IT SaaS and Technology Training Company

Position: Managing Director & CEO

Duration: October 2023 – Present

- Direct all strategic and operational functions for a rapidly growing IT SaaS and technology training company.
- Lead business development efforts, enhancing company offerings in SaaS and technical training programs.
- Oversee client relations, workforce development, and partnerships to drive company growth.

Phosphorus Plant MEPCO, Thirumangalam

Position: Junior Engineer

Duration: June 2022 – June 2023

- Conducted technical inspections, maintained equipment functionality, and supported production in phosphorus plant operations.
- Played a pivotal role in optimizing production processes and enhancing operational efficiency.

Aqua Leads and Systems

Position: Engineer and Technical Coordinator (Erection and Commissioning)

Duration: July 2021 – May 2022

- Coordinated technical teams for project execution and completion, ensuring adherence to quality and safety standards.
- Led the commissioning and inspection of water treatment and filtration systems across multiple sites, including:
 - **UASBR Commissioning** – LOTTE India, Nellikuppam
 - **Water Treatment Plant Technical Inspection** – HCCB Niyamam, Chennai
 - **Ultra Filtration Commissioning** – HCCB Chithoor, Andhra Pradesh
 - **Electro Coagulation Project E&C Work** – HCCB Bidadi, Karnataka
 - **UASBR Commissioning Inspection** – Grand Well (Saint Gobain India)

Shakthi Hi-Tech (O&M in TVS Tyres)

Position: RO Plant Operator

Duration: February 2021 – April 2021

- Operated and maintained Reverse Osmosis (RO) plant, ensuring consistent water quality and compliance with operational standards.
- Monitored system performance, conducted regular maintenance, and handled troubleshooting.

Education

- **Master of Business Administration (MBA) in International Business Management**

Madurai Kamaraj University | 2024 – 2026 (Pursuing)

- **Bachelor of Technology (B.Tech) in Chemical Engineering**

Kalasalingam Academy of Research and Education | 2016 – 2020

- **PG Diploma in Personnel Management and Industrial Relations**

Annamalai University | 2021 – 2022 (Discontinued)

Skills

- **Technical Expertise:** ETP design, UASBR commissioning, RO and Ultra-filtration systems, Safety Audits.
- **Leadership & Management:** Strategic planning, team leadership, project coordination, client relations.
- **Training & Mentorship:** Curriculum design, hands-on training, mentorship for tech and engineering students.
- **Soft Skills:** Problem-solving, interpersonal communication, adaptability, cultural awareness.

Key Achievements

- **Entrepreneurship:** Established Sharpened Mind Tech & Solutions, providing cutting-edge tech education, hands-on internships, and practical experience for over 1,000 students.
- **Engineering:** Led critical safety and process improvements at MEPCO; developed ETP designs and comprehensive safety protocols for the red phosphorus plant.
- **Commissioning Excellence:** Identified and resolved long-standing operational inaccuracies in UASBR processes, optimizing plant performance at LOTTE India.
- **Safety Leadership:** Spearheaded 25+ safety mock drills, created robust safety policies, and introduced permit systems to streamline operations.
- **Social Impact:** Actively engaged in community welfare, completing 900+ food donations, organizing blood donation drives, and supporting local welfare initiatives since 2016.

Projects Completed in collage:

COMMUNITY SERVICE PROJECT:

Separation of hydrogen from waste water for alternative fuel for automotive.

MINI PROJECT:

Pump scheduling in high capacity with consumption of Low Electricity.

Parallel flow mechanism in Heat exchanger in Heat Transfer.

Determination of overall htc in shell & tube heat exchanger by Chem Cad.

MAIN PROJECT:

My final year project was done in Tvs Tyres Madurai , on the title of

“ACCURACY OF CHEMICALS DURING WEIGHING & AVOID SPILLAGE OF RAW MATERIALS”

International Safety Course:

IOSH-MS (INSTITUTE OF OCCUPATIONAL SAFETY & HEALTH- MANAGING SAFELY).

COSHH (CONTROL OF SUBSTANCES HAZARDOUS TO HEALTH).

HAZWOPER(HAZARDOUS WASTE OPERATIONS & EMERGENCY MANAGEMENT)

NEBOSH-INTERNATIONAL GENERAL CERTIFICATE (National Examination Board of Occupational safety and Health IG-1 Cleared)

ITOL- INSTITUTE OF TRAINING & OCCUPATIONAL LEARNING (Safety practitioner)

EMS- ENVIRONMENT MANAGEMENT SUSTAINABILITY

CPD- STANDARD OFFICE CONSTRUCTION HSC SAFETY SYSTEM PRACTITIONER

CPD-STANDARD OFFICE DISASTER MANAGEMENT WITH EMERGENCY RESPONSE

BBSM- BEHAVIOUR BASED SAFETY MANAGEMENT

MOC- IN PROCESS SAFETY (Management of change)

ESSENTIALS FIRE SAFETY PRINCIPLES

FIRST AID AT WORK

TRAIN THE TRAINER PROGRAM- E LEARNING

Professional Affiliations & Extracurricular Activities

- **Photography Club President & Secretary** – *College Days*
- **Volunteer Work:** Active social worker with Boom Welfare, leading food donations and blood arrangements for those in need across Tamil Nadu.

I hereby declare that all the details given here are true to my knowledge and belief.
